This is something everyone will enjoy! Someone in your neighborhood needs to lead it, how about you!

Sunday, September xx, 20xx (Third Sunday in September) is National Neighborhood Day! Join people in communities all over America as they gather to welcome new neighbors and rekindle connections after the summer months. These gatherings foster caring and concern for each other and promote stronger more effective communities. National Neighborhood Day is the Third Sunday in September each year. Visit www.neighborhoodday.org for ideas, information and templates that make it easy to organize.

National Neighborhood Day is a grassroots, nonprofit initiative that offers an opportunity for simple gatherings sharing food and fun. A chance to celebrate the things we all share and discover the diversity among us that makes America great. There is no agenda and no prescription. Make it a party, a project or a potluck. Rekindle friendships. Welcome new neighbors. Learn about each others' families, interests and needs. Use the gathering to make a neighborhood list, plan neighborhood service projects, develop ideas for neighborhood improvement – whatever inspires you and your neighbors.

Your neighborhood might be a street, 50 houses or an apartment building. You'll find it wherever children go out to play or neighbors gather for the latest scoop. If you decide to take part in National Neighborhood Day, be sure to let us know about it. Visit www.neighborhoodday.org to share stories and pictures from your gathering. The Web site also has printable flyers and email notices to help you organize and spread the word.

Be the one to bring your neighbors together! It will be fun!
